Discount for Volume Buyers of Books & CD-ROMs

Effective September 2000

While this schedule is in effect, OUR CATALOG PRICES DO NOT APPLY. All individual libraries or systems, whose total yearly purchases of our books and CD-ROMs amount to any of the volume categories listed below, will be billed at the discount that applies.

PRICING FORMULA

BTSB Book Prices are determined by reducing the current publisher's list price by 30% and adding the cost per book for prebinding of \$4.20. [A small number of short discount titles (approximately 500) are reduced by 10%.]

BTSB CD-ROM Prices are reduced substantially below manufacturer's suggested retail prices.

DISCOUNT SCHEDULE

Yearly Volume	Per Book	Savings from	CD-ROM Discount
of Buying	Prebinding Charge	BTSB Price	from Catalog Price
\$ 2,500	\$4.10	10¢	1%
\$ 5,000	\$4.06	14¢	2%
\$ 10,000	\$4.00	20¢	3%
\$ 20,000	\$3.92	28¢	4%
\$ 30,000	\$3.84	36¢	5%
\$ 50,000	\$3.80	40¢	6%

EXAMPLE: For a trade edition of a book with a publisher's list price of \$17.00, a customer at the \$50,000 volume level would pay \$15.70 [\$17.00 - \$5.10 (30%) + \$3.80 (prebinding charge)].

Discounts are based on a single account concept where one billing address is used. (Special Cooperative Purchasing discounts are available upon request.) Discounts are based on payment of invoices within 30 days. Books will be billed using the publisher's current list price in effect at the time of shipment. All purchases of books and CD-ROM titles, as well as charges for processing services, count toward the total yearly volume.

OTHER INFORMATION

Custom processed books cannot be cancelled or returned after the order is processed and may not be returned for credit or refund except for printing, binding, or processing errors.

Defective CD-ROM products may be returned to BTSB within 30 days of the invoice date with proper authorization. Network, lab pack, or site license products found to be defective will be replaced with the same product only. Also, many of our regular edition products and supporting documentation have a 30 day replacement or credit guarantee if returned within 30 days of the invoice date in resellable, unmarked condition. In such cases a 15% restocking fee will be charged.

To speed service and reduce errors, please use the BTSB title numbers from our catalogs or lists.

BTSB pays all shipping charges.
